

CELEBRATING
150 
— YEARS —

BUILDING UPON A TRADITION
OF CATHOLIC FAITH

Dear Jesus, we thank You for giving us the Church and teaching us to pray. This year we celebrate our 150th birthday as a diocese in Wisconsin with many natural and beautiful gifts that You have given to us.

Thank you for letting us live here; thank You for healthy food and healthy water. Please help the poor who have no homes and who have no food. Help us to be thankful for what You have given us and what we make with Your help.

Bless our families and our friends and help us to make our home a place of hope and peace so that we may continue to follow Your way. Amen.
