# NightOut

**Join us** for our St. Olaf Women's Night Out series called ETERNALLY FIT—focusing on the well-being of our body, mind and spirit. Come to one event; come to all. It will be a **no-strings-attached** opportunity for you to refresh your spirit and maybe make a friend or two. The evening starts at 6:15 pm with specialty desserts and ends at 7:30 pm.

**April 27** **EVELYN**  
**GARCIA**

Evelyn works for Matthew Kelly at Dynamic Catholic in California where she organizes pilgrimages to the Holy Land, Spain, France, and Italy. She will share her testimony about living a life of spiritual pilgrimage with Jesus. Evelyn will tell how Jesus reveals himself to us as his precious children, as well as the miraculous ways he reveals himself on pilgrimages to holy places around the world. Evelyn feels she does not deserve all the blessings God has given her, but He knows it and He gives them to her anyway and graciously accepts His love!
