Father Joseph Walijewski, delivering a speech after the Mass. Thanking the good children of the La Crosse Diocese who have so generously helped to build the Church + Rectory, by their prayer + sacrifice. The Auxiliary Bishop of Santa Cruz and Father Joseph Dubbo a Mayhew priest from Detroit Michigan + several other parents are in the background.

Ash Wednesday, February 10, 2016 Bishop Callahan met with Archbishop Sergio Calandrina and began the process of bringing the missionary work full circle. Santa Cruz Parish is completing its history as a Mission Parish of La Crosse Diocese and beginning a new story as a local Parish of Santa Cruz de la Sierra Archdiocese. As Fr. Walijewski thanked the children of La Crosse Diocese so many years ago, we thank you for being a part of this journey through the annual Mite Box collection.
