**Study Guide Workbook Part I
Part II and Part III
&
Additional References**

This is a three part study program that is easily adaptable for both a particular (Arch)Diocese and an individual candidate / consecrated virgin.

"It invites the virgin along with her spiritual director to enter into the beauty of the rite which the Church holds out as a way for her to receive the graces to be that more faithful witness we are called to be in this Year of Faith particularly. Additional resources include "Reflections on the Rite," which could be described as the spirituality of the Rite of Consecration, "Additional Resources," which is a fourth volume containing the complete text of the references made in the Study Guide."

Most Reverend William P. Callahan, *OFM Conv.* Bishop of La Crosse

The three ring folder, workbook style format, contains definitions/references from Catechism of the Catholic Church, papal documents (a condensed version of the references) with space for personal reflections, notes, questions and points for the candidate to ponder and share with her spiritual director. A hard cover library bound book with the Additional Resource Materials is part of the set for a complete reading of the quoted documents and writings.
