DIOCESE OF LA CROSSE CATHOLIC SCHOOLS

PRIORITIES

In a culture that offers every sort of educational and enrichment opportunity a child could hope to enjoy, it's often hard for parents to decide what matters most. Catholic schools in Monroe County know you have a choice about the education of your children. If your priority is an excellent education that also provides a faith-based environment infused with the values expressed in the Gospel of Jesus Christ, we share your priorities.

St. Patrick's Catholic School invites you to consider K to 8 to help you provide an excellent education for your children, while instilling the values, character and faith you seek to promote. Students and families of all faiths are welcome.
