Online learning at your convenience

How to onboard your parish or school . . .

To sign up a parish or school, the person registering that institution (a pastor, principal, parish catechetical leader, etc.) should go to <https://franciscanathome.com/lacrosse> where you will find a welcome message from your diocese.

Below the welcome message, on the right side of the page, there are two large blue buttons underneath the words "Register Online." Click on the second blue button that says:

Clicking on the blue button takes you to a page that asks you to fill in registration information to create a new account (or to log in if you have an existing account). Once you register or log in, you will then be asked to select your diocese's name. After choosing your diocese's name, you will then be prompted to fill in your institution's information. At the bottom of that page, there is a blue button that says:

Continue to payment options

That button will take you to a page that allows the institution two options for payment of the \$300 cost: by credit card or by check (invoice). If an institution chooses to pay by credit card, the process can be completed online during the registration process. If an institution prefers to pay by check, please select that option, and an invoice will be sent to you both on the screen and by email. This option still completes the online registration process but includes an additional step of mailing in the \$300 check. Once either of these two payment options is selected, the process is completed, and individual members of the parish or institution can register for free!

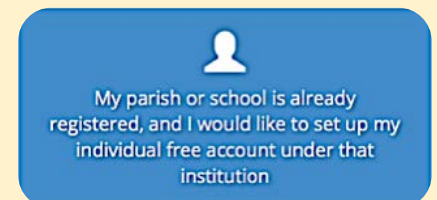

How individuals can register for free . . . (once their parish or school is onboarded)

Individuals have free entry onto the learning platform once their parish or school has registered in our system. Once their institution has subscribed, they can then go to the following link: <https://franciscanathome.com/lacrosse>

On the right of this web page is a large blue button that says:

By clicking on this button, they are taken to a page that asks them to fill in registration information to create a new account. Once they have completed the registration, they are then taken to a page that asks for the name of their diocese.

In the first drop-down box, individuals will choose the name of their diocese. Once they choose the name of their diocese, the name of their parish or school will appear in the second drop-down box (as long as their parish or school has registered already). Once they have selected their parish or school, they have access to all the workshops for free!
