In the Diocese of La Crosse

Option for the Poor and Vulnerable: "A basic moral test is how our most vulnerable members are faring. In a society marred by deepening divisions between rich and poor, our tradition recalls the story of the Last Judgment (Mt 25:31-46) and instructs us to put the needs of the poor and vulnerable first." Parish Social Ministry Initiatives

In the Diocese of La Crosse

Introduction

This directory is the fruit of a collaborative effort on Parish Social Ministry between the Office for Ministries and Social Concerns, Catholic Charities, and the Mission Office, all of the Diocese of La Crosse. It is an ongoing project, one which seeks to open a window onto the vast and ever-growing vineyard of love in action in our diocese. We want it to be a source of shared inspiration and ideas, as together we seek to embody the loving heart and hands of Jesus Christ in reaching out to our neighbor in need.

The directory is broken into:

- Diocesan-Wide Efforts
- Projects Common to Many Parishes
- Specific Parish/Deanery projects, by Deanery

There are many ecumenical efforts throughout our diocese in which our parishes collaborate with people of other faith traditions. This directory seeks to include these as they are reported.

To keep the directory up to date, we need regular input from the parishes and deaneries of the diocese. For the social ministry initiatives of your parish or deanery to be listed, the pastor or someone authorized by him should complete and submit the online form found at: <http://diolc.org/social-ministry-initiative-submission-form/>. For corrections or deletions, please contact the Office for Ministries and Social Concerns at ministries@diolc.org or 608-791-0161.

“Each individual Christian and every community is called to be an instrument of God for the liberation and promotion of the poor, and for enabling them to be fully a part of society.”

40 Days for Life is a focused pro-life national campaign with a vision to access God’s power through prayer, fasting, and peaceful vigil to end abortion. The mission of the campaign is to bring together the body of Christ in a spirit of unity during a focused 40 day campaign of prayer, fasting, and peaceful activism, with the purpose of repentance, to seek God’s favor to turn hearts and minds from a culture of death to a culture of life, thus bringing an end to abortion through prayer, fasting, community vigils and outreach.

Catholic Campaign for Human Development

<http://www.usccb.org/about/catholic-campaign-for-human-development/>

The Catholic Campaign for Human Development is the domestic anti-poverty program of the U.S. Catholic Bishops, working to carry out the mission of Jesus Christ "... to bring good news to the poor ... release to captives ... sight to the blind, and let the oppressed go free." (Luke 4:18) A

portion of the funds collected stays in the Diocese of La Crosse to fund local initiatives. Past recipients include warming shelters, aid for housing, and restorative justice program for crime victims and offenders.

Catholic Relief Services

<https://www.crs.org/>

Catholic Relief Services is the official international humanitarian agency of the U.S. Conference of Catholic Bishops. CRS examines the issues that are dramatically impacting the safety and well-being of poor and vulnerable people worldwide. The work is based on the principles of Catholic social teaching, primary among them the protection of the dignity of the human person. A portion of the funds raised in the Lenten Rice Bowl collection is used for Project Seed in the Diocese of La Crosse.

Project Milk

Office for Ministries and Social Concerns

ministries@diolc.org

ph.: 608-791-0191

<http://diolc.org/social-concerns/rural-life/project-milk/>

A program of the Diocese of La Crosse where milk is purchased from local dairy farmers, processed at Grassland Dairy into powdered milk. It is then shipped to Casa Hogar Juan Pablo II in Lurín, Peru where it is given to the orphanage to use and distribute as needed in and around Lurín, Peru.

Project Seed

Office for Ministries and Social Concerns

ministries@diolc.org

ph.: 608-791-0191

<http://diolc.org/social-concerns/rural-life/project-seed/>

The portion of funds raised in the Catholic Relief Services Lenten Rice Bowl collection that remains in the diocese funds Project Seed. Every spring, there are sales to provide area farmers with low-cost, high-quality seed. There is alfalfa, and clover ready for sale and non-GMO seed can be ordered. Comparable yields make this seed an attractive alternative. The Diocese of La Crosse also offers financial assistance to those in need, so no one is turned away. Donations to help support Project Seed are welcome and can be sent to the Diocese of La Crosse.

<http://diolc.org/missions/>
www.homeajpm.org

Casa Hogar Juan Pablo II, a mission of the Diocese of La Crosse, Wisconsin, first opened its doors to homeless children in 1985, but was officially founded the following March of 1986 by Servant of God, Fr. Joe Walijewski. Currently, 64 children call Casa Hogar their home, where they are given faith, family, and a chance at the promising future they deserve. Using the Family Program based on the famous Boys Town® methods, Casa Hogar Juan Pablo II has become a leader in the treatment and care of orphaned, abandoned, and abused children of Peru. Over the years, our parishes have donated first aid supplies, clothing, eye glasses (partnered with Lions clubs), and most recently, guitars and bicycles! Project Milk is an important initiative that helps both Wisconsin farmers and Casa Hogar by purchasing Wisconsin milk, processing, and sending powdered milk to the children in Peru.

Many parishes also have youth participate in the Mission America Trips sponsored by the Office for Youth and Young Adult Ministry, www.diolc.org/yva.

Fortnight for Freedom

www.diolc.org/freedom

Religious Liberty is our first, most cherished freedom. It is the God-given freedom of individuals and communities to manifest their religious beliefs in teaching, practice and worship. Unfortunately, in our nation and around the world, we are seeing increasing violations of this freedom. The two weeks from June 21 to July 4 is a time of concerted prayer, education, and action in defense of religious liberty in our diocese and across the United States.

Projects Common throughout the Diocese

Mother's Day Rose and Father's Day Carnation Sales

Roses are sold at the parish on Mother's Day and carnations on Father's Day. The proceeds for these sales go to the local pregnancy care centers or Respect Life groups.

Food Pantries

Our local food pantries are blessed to have so many generous parishes donate non-perishable food and personal care items. Contact your local food pantry for information.

Giving Trees and Gift Baskets

Most often held during Advent and Christmas; parishioners around the diocese donate gifts to families in need, elderly, shut-ins, and nursing homes. These acts of giving to others spread the love of Christ.

Hospital/Nursing Home/Homebound Ministry

This valuable ministry is more than delivering communion to those who are unable to attend Mass, it is caring for one another, connecting them to parish life and providing a sense of community. Many parishes also give Christmas gifts, prayer shawls or other items to those unable to attend Mass with their parish.

Baby Showers, Diaper Drives or Baby Bottle Collections

Many parishes hold baby showers and collect baby items to donate to area pregnancy care shelters. Leaving no wet behinds, diapers are collected for area shelters or are donated to local shelters and food pantries. Other parishes hand out empty baby bottles to parishioners asking them to fill them with loose change and donations are given to various pregnancy care centers or pro-life organizations.

Community Meals

Many of our communities host a community meal to anyone who would like to participate. These meals are provided at no cost and rely on volunteers.

Spiritual Adoption

https://www.nccw.org/Public/Commissions/Spiritual_Adoption_Program.aspx

While anyone can pray for the unborn at any time, a spiritual adoption program is a parish, religious education program or school wide program where participant pledge to pray for nine months for a baby in danger of abortion. Many will begin at the Annunciation on March 25 and run until the Nativity of Our Lord on December 25. Other programs will run the 9 months of a school year. Others will use whatever timing works best for their parish.

Those funds are then lent out to new clients. Recipients are also matched with a “walking partner” who is there for emotional support, financial advice and to serve as a bridge to the wider community.
