

Come learn more about the legacy left behind by St. John Paul II. This introduction to his **Theology of the Body** will explore these questions (and more):

- What does Scripture reveal to us about who God is? About who we are?
- How is God's Divine Design revealed in sacred art and architecture?
- What exactly is God's Plan for sexuality?
- What does the Church really teach about sex?

Presented by Burning Hearts Disciples in collaboration with the Diocese of La Crosse.

ABOUT THEOLOGY OF THE BODY

Divorce. Broken families. Sexual abuse. Pornography. Gender issues. Everywhere we look, we find more confusion about the fundamental truths of human life. As we lose our basic understanding of the meanings of man, woman, marriage, and sex, the question becomes ever more urgent: What does it mean to be a human being?

Understanding the basics of St. John Paul II's Theology of the Body, making his profound teachings on human sexuality easy to grasp and apply in our lives. You will discover a deeper understanding of your **role in your family** and in society, **learn how to better love and be loved** by your spouse or future spouse, and gain new insights on **how to respond** with clarity and **compassion to hot-button issues on sexuality**.
