Answering our baptismal call, we are committed to supporting our local parishes, our diocesan ministries, and global Church ministries. By your investing in the Church's financial base, the Diocesan Annual Appeal significantly advances the work of Christ's Church. Our Diocesan Annual Appeal materially supports the ministries of our diocese that are the extension of Christ's hands, by working together, reaching out and affirming each other in faith so those in need may come to know and share in the joy of the Gospel. Our individual and parish efforts are critical to the overall success of the Diocesan Annual Appeal. By reaching our parish target, we not only help in our parish's success, but we also ensure that the Diocese can sustain the 38 Annual Appeal-supported ministries. A Case Statement, which details the ministries supported by the Annual Appeal, is on the Diocese of La Crosse website, diolc.org/joy.
