

# Domestic Church Evangelization Retreat March 26-29, 2020

## **General Information**

Registration will be from 6:30—7:00pm on Thursday evening with the first session beginning at 7pm. Please note, to reduce the price we'll be starting after dinner, so please eat before you come! And, we will celebrate Sunday's Mass during the retreat, departing before lunch on Sunday.

A quick note about the St. Anthony Spirituality Center for the sake of your preparations: the staff, location, availability of this center make it an excellent choice for our married couples retreat, but one inconvenience particular to this center is that the bedrooms do not have private baths (unless you have reserved and paid for a suite). Toilets and showers are down the hall, so we will assign a men's side and a women's side for the weekend.

If you are breastfeeding a baby, we welcome you to bring your little one with you. The center does not have cribs or high chairs so please bring the needed equipment with you.
