**Grade Level** \_\_\_\_\_

**Chapters to discuss** \_\_\_\_\_

1. What stood out for you from the lesson? Why?
2. What does this lesson tell you about Jesus?
3. Does this remind you of something in your life?
4. What words in the lesson did you not understand? (Vocabulary words can be found in the back of the textbook, in the Glossary.)
5. In this time of temporary changes due to the “flu viruses,” who do you see as “helpers” – those helping others?
6. Ask your children if they have any fears about the coronavirus. It is always beneficial to talk it through, and then give those fears to Jesus in prayer. If you would like to download a Family Prayer Card from the “Going Deeper in Prayer” initiative, Pre-school through 12th Grade, go to [diolc.org/prayer](http://diolc.org/prayer). The “Going Deeper in Prayer” initiative was developed based upon requests by 12<sup>th</sup> Grade students over the last several years.
