

Dear Teacher - Catechist,

We are very excited to provide you with an initiative that has been requested over the last several years by, most notably high school students, and well as Catholic school teachers, priests, directors/coordinators of Parish Faith Formation Programs, youth ministers, catechists and parents. **“Going Deeper in Prayer”** is the title of this initiative.

The vision:

Many prayers and ways of praying are taught each year, and that needs to continue. However, there is a need for you the Catholic school teacher or parish catechist, as well as parents and sons and daughters and indeed, all of us who hand on the Faith, to go deeper in prayer by spending a whole year focusing on one prayer and allowing it to become very personal and a place of encounter with Our Heavenly Father for each person who is praying with it.

The coming of the Holy Spirit on Pentecost.
The Holy Spirit is a Divine Person.
The dove is a Biblical symbol.

“Going Deeper in Prayer” needs to begin and continue in an ongoing manner primarily in the family:

- “Family catechesis... precedes, accompanies, and enriches all other forms of catechesis. Parents have the mission of teaching their children to pray.” (*Catechism of the Catholic Church*, paragraph 2226)
- “Parents are the primary educators in the faith.” (*General Directory for Catechesis for the Universal Church*, n. 225).
- “...With their parents leading the way by family prayer, children... will find a readier path to human maturity, salvation and holiness.”(*The Church in the Modern World – Gaudium et Spes*, Second Vatican Ecumenical Council, n. 48)

The role of the family is so vital to each young person’s understanding of the importance of and commitment to a daily habit of prayer that starting this initiative *is to be preceded* by intentional parental engagement. In other words, the “Going Deeper in Prayer” Initiative will begin in the Catholic school or Parish Faith Formation Program as support for the family when the parents are on-board. This could take place, for example, through a parent gathering where the initiative can be explained, the Prayer Card read over and the Prayer modeled, and formation on prayer can take place. Parents want the best for their children and therefore their participation in such gatherings is essential. Further, formation on family prayer needs to be offered in an ongoing manner.

The goal:

The goal is that children and young people pray in the home with their parents each day as well as in the Catholic School and Parish Program in order to continue to deepen their friendship with Holy Spirit. When the year of praying and learning about this specific way of praying is completed, it will become a part of your, and their life, that they will never forget.

The coming of the Holy Spirit on Pentecost upon Mary, the Apostles and the women. The Holy Spirit is a Divine Person. The tongues of fire are a Biblical symbol.

The following truths underlie any formation in prayer:

1. *The Person of the Holy Spirit desires that you develop a friendship with Him.* This relationship is prayer. You are to support the parents in helping to teach the children about the Person of the Holy Spirit, but even more importantly, to help them encounter and develop a friendship with Him by modeling your own personal and communal prayer.
2. *Every person needs to learn how to pray.* “The Spirit too helps us in our weakness, for we do not know how to pray as we ought; but the Spirit Himself makes intercession for us with groanings that cannot be expressed in speech” (Romans 8: 26).
3. *The Holy Spirit dwells within you and guides you in prayer!* “The Holy Spirit is the interior Master of Christian prayer” (CCC 2672). The Holy Spirit helps and guides you to develop a daily habit of prayer. If you ask, He will even give you the desire to pray.
