SAVE THE DATE -JUNE 5, 2021 VIRTUAL FORMATION FOR ***THEOLOGY OF THE BODY***

What you will learn:

- Key factors that led St. John Paul II to give the world the Theology of the Body (TOB)
- Why the title of the work is powerful and prophetic for us today
- What "original innocence" means and why it is important
- The difference between love and lust, and how to grow in authentic love
- The differences between abstinence and chastity, and why chastity is for everyone
- How the Eucharist teaches us about marriage, and vice-versa

Today's middle schoolers and high schoolers face new pressure. Social networking and the whole gamut of virtual reality present new horizons of connectivity, yet often without real engagement, adding to the hard task of early adolescents finding their identity. We need a message of hope that is more powerful than the glitter of society's offerings. This is what Pope St. John Paul II's Theology of the Body provides, for it resonates with the deepest desires of our heart.
