In the Diocese of La Crosse

Option for the Poor and Vulnerable: "A basic moral test is how our most vulnerable members are faring. In a society marred by deepening divisions between rich and poor, our tradition recalls the story of the Last Judgment (Mt 25:31-46) and instructs us to put the needs of the poor and vulnerable first." Parish Social Ministry Initiatives

In the Diocese of La Crosse

Introduction

This directory is the fruit of a collaborative effort on Parish Social Ministry between the Office for Ministries and Social Concerns, Catholic Charities, and the Mission Office, all of the Diocese of La Crosse. It is an ongoing project, one which seeks to open a window onto the vast and ever-growing vineyard of love in action in our diocese. We want it to be a source of shared inspiration and ideas, as together we seek to embody the loving heart and hands of Jesus Christ in reaching out to our neighbor in need.

The directory is broken into:

- Diocesan-Wide Efforts
- Projects Common to Many Parishes
- Specific Parish/Deanery projects, by Deanery

There are many ecumenical efforts throughout our diocese in which our parishes collaborate with people of other faith traditions. This directory seeks to include these as they are reported.

To keep the directory up to date, we need regular input from the parishes and deaneries of the diocese. For the social ministry initiatives of your parish or deanery to be listed, the pastor or someone authorized by him should complete and submit the online form found at: <http://diolc.org/social-ministry-initiative-submission-form/>. For corrections or deletions, please contact the Office for Ministries and Social Concerns at ministries@diolc.org or 608-791-0161.

“Each individual Christian and every community is called to be an instrument of God for the liberation and promotion of the poor, and for enabling them to be fully a part of society.”

Catholic Relief Services is the official international humanitarian agency of the U.S. Conference of Catholic Bishops. CRS examines the issues that are dramatically impacting the safety and well-being of poor and vulnerable people worldwide. The work is based on the principles of Catholic social teaching, primary among them the protection of the dignity of the human person. Casa Hogar Juan Pablo II, a mission of the Diocese of La Crosse, Wisconsin, first opened its doors to homeless children in 1985, but was officially founded the following March of 1986 by Servant of God, Fr. Joe Walijewski. Currently, 64 children call Casa Hogar their home, where they are

given faith, family, and a chance at the promising future they deserve. Using the Family Program based on the famous Boys Town® methods, Casa Hogar Juan Pablo II has become a leader in the treatment and care of orphaned, abandoned, and abused children of Peru. Over the years, our parishes have donated first aid supplies, clothing, eye glasses (partnered with Lions clubs), and most recently, guitars and bicycles! Project Milk is an important initiative that helps both Wisconsin farmers and Casa Hogar by purchasing Wisconsin milk, processing, and sending powdered milk to the children in Peru.

Projects Common throughout the Diocese

Mother's Day Rose and Father's Day Carnation Sales

Roses are sold at many parishes on Mother's Day and carnations on Father's Day. The proceeds for these sales go to the local pregnancy care centers or Respect Life groups.

Food Pantries

Our local food pantries are blessed to have so many generous parishes donate non-perishable food and personal care items. Contact your local food pantry for information.

Giving Trees and Gift Baskets

Most often held during Advent and Christmas; parishioners around the diocese donate gifts to families in need, elderly, shut-ins, and nursing homes. These acts of giving to others spread the love of Christ.

Hospital/Nursing Home/Homebound Ministry

This valuable ministry is more than delivering communion to those who are unable to attend Mass, it is caring for one another, connecting them to parish life and providing a sense of community. Many parishes also give Christmas gifts, prayer shawls or other items to those unable to attend Mass with their parish.

Baby Showers, Diaper Drives or Baby Bottle Collections

Many parishes hold baby showers and collect diapers and other baby items to donate to area pregnancy care centers. Other parishes hand out empty baby bottles to parishioners asking them to fill them with loose change and donations are given to various pregnancy care centers or pro-life organizations.

Community Meals

Many of our communities host a community meal open to those in need and to anyone who would like to participate. These meals are provided at no cost and rely on volunteers.

Spiritual Adoption

<https://www.nccw.org/wp-content/uploads/2018/03/Spiritual-Adoption-of-Unborn-Human-Life.pdf>

While anyone can pray for the unborn at any time, a spiritual adoption program is a parish, Catholic school or religious education program in which participants pledge to pray for nine months for a baby in danger of abortion. Many begin on the Feast of the Annunciation on March 25, concluding on the Feast of the Nativity of Our Lord on December 25. Other programs run the nine months of a school year or use some other schedule that works for their parish.

The Advancing Hope Fund was founded with the idea of making no-interest, no-service-fee loans to those in need. However, the goals of AHF are much more holistic than just handing people money. The fund stresses the need for the loan recipients to become involved in the lending circle – paying forward an agreed upon amount in return for the loan. Those funds are then lent out to new clients. Recipients are also matched with a “walking partner” who is there for emotional support, financial advice and to serve as a bridge to the wider community.

St. James decided to explore building a relationship with San Jose due to the devastation they suffered from Hurricane Maria. In the summer of 2018, six members of the parish went to meet Fr. Francis and his congregation. This winter two more families will be visiting to continue to get to know them and help with small projects. We plan for this to be long term as they have many years of a long range plan to re-build from the devastation. We see this as many-fold: to experience and learn from one another's culture through friendship and worship, to help with areas of need, and offer prayer and financial support.

Gifts of Love is a ministry of a group of ladies from Sacred Heart Parish in Marshfield, the Marshfield Deanery Council of Catholic Women, and the La Crosse Diocesan Council of Catholic Women. These ladies are dedicated to making NICU blankets, kimonos, incubator covers, hats, booties, sweaters, and many other needed items. Premature babies are often so tiny; they need extra tiny cloths or items to keep them warm. Our ladies do just that. They sew, crochet or knit items for them. Gifts of Love ladies also make burial outfits and blankets for the little angels that are too tiny to live. For the mothers who miscarry or whose infants join God in heaven, they make memorial boxes. And if a family needs a little burial casket for a deceased baby, Gifts of Love makes and donates one. All of these things are provided at no cost.

We offer presentations and help to any person(s) or parish that would like more information on how to get this program started in their area. We are always looking for people who are willing to make and decorate the caskets. So far we have donated 249 caskets of various sizes.

Change of Seasons is a time for community volunteers to help our senior citizens with those "Change of Seasons" odd jobs. This happens each spring and fall in Neillsville and Loyal. It began with a collaboration of St. Mary's Justice and Peace Committee, Office of Aging and Interfaith Volunteer Caregivers of Clark County, many community volunteers and St. Anthony's and Trinity Lutheran Church in Loyal.

The day begins with a prayer and breakfast. Churches now take turns hosting. Some churches provide lunch. Names are submitted to Interfaith and the Aging Office. Volunteers are recruited from youth organizations and churches. Teams are set up and given names for their team to rake leaves, wash windows, clean gutters or whatever job the elderly need done. There is no cost for the service.

Each year the last week of October or first week in November is designated as WRAP Awareness Week. The senior class in the parish religious education program is engaged by their teacher during one of their class periods to discuss the problems that pornography causes in society. At all Sunday Masses at the beginning of WRAP Awareness Week a volunteer from that senior class reads a short prepared statement (written by the Justice and Peace Committee chairperson) outlining the scourge of pornography on society and the need to make every effort to eliminate it from our lives. The message clearly defines the consumption of pornography as a sin against God. After Mass the senior class and members of the Justice and Peace Committee distribute lengths of white ribbons for parishioners to tie on auto antennas or on rear view mirrors in support of the message. Also St. Mary's had white wrist bands made with the inscription "WRAP White Ribbon Against Pornography" to serve as a reminder to speak out against the sales, distribution, and consumption of pornography whenever the occasion arises.

Jubilee House is a Catholic Worker House, following the example of Dorothy Day. Jubilee House serves a free community meal and hospitality every Thursday night in the school cafeteria at St. Matthew Parish. Everyone is invited to come together for the meal regardless of their station in life. Area groups sign up to provide and serve a meal. As Dorothy Day said, “Peace begins when the hungry are fed.” You can be a part of the solution.
