As you begin to use the Liturgy of the Hours and the Office of Readings, I hope you will discover more avenues to explore the writings on the Psalms of those who have been included in these volumes by the Church Fathers when the Divine Office's renewal began during the time of the Second Vatican Council.

The selection of writings offers just a sampling of the depth of the writings available on the Sacred Scriptures particularly the Psalms.

Selections that are found in the Commons will be in **green**. They are the same and included in all 4 volumes.

You will in your spiritual growth find works in a variety of formats, media that will enhance your praying of the Psalms.

To keep always in mind these are the same prayers the as learned by Jesus in the School of Nazareth from Joseph and Mary will open the doors of grace and humility.
