**Bulletin  
Announcement**

**The Pregnancy Support Program at Catholic Charities of the Diocese of La Crosse** offers free, confidential, and unbiased life-options counseling throughout the Diocese. Our Program serves expectant mothers/fathers making a life-choice for their unborn baby as well as those who are already parenting but struggling. We provide case management by connecting clients with community resources for services such as: medical, financial, mental health, parenting skills, housing, etc. Another program service is to educate and empower the clients in their decision-making to parent, make an adoption plan, or place their baby with someone they know (kinship/guardianship care). For those who choose not to parent, the social worker prepares and supports them through the legal process of terminating parental rights, as well as the emotional aspects of that decision. Our staff understand those who made an adoption plan will process their grief/loss/acceptance at various times throughout their life, thus we welcome clients reaching out months/years after our services cease, and we hold bi-monthly birth parent support groups. For those choosing to parent, we are able to support them through providing parenting education, caring support, and baby supplies. Catholic Charities offers Pregnancy Support services in each of our 3 offices, located in Eau Claire, La Crosse and Wausau. In addition a Social Worker staffs our hotline which is available 24/7 by calling 888-212-HELP or by texting 715-600-6391. Providing Help...Creating Hope.
