**Bulletin
Announcement**

At **Agape Pregnancy Resource Center**, our goal is to provide whatever support is necessary to help a woman carry her baby to term. Our desire is to give her hope to face the future, with information and assistance to help her plan constructively for herself and her baby. We offer spiritual counseling and provide alternatives to abortion. We are a non-profit, Christian (Baptist) ministry staffed by lay counselors specifically trained in the area of crisis pregnancies.

Located at 744 Moore St.
