How people and parishes can help.

As a non-profit that accepts no state or federal funding donations are always a necessity. We also can use in kind donations of household items, frozen meats, food items, household cleaning supplies, paper products, diapers and baby wipes. We have a need for some volunteers periodically which is another way to serve. We have support from area churches who participate in our fundraising events, give in-kind donations and refer women in crisis.

Do you dispense Contraception?
