

**WOULD YOU LIKE
TO HELP US,
BUT DON'T
KNOW HOW?**

If you are like many people, you may be concerned about the economy and taxes this year.

We appreciate your continued support of our mission and want to thank you for your past generosity. We know that you would like to help us again this year, but may not know how. One idea you might consider is a charitable bequest.

A bequest is a gift you can make without using any of your current resources. It is simply a commitment made in your will to leave a future amount, asset or percentage of your estate to us. Your gift is important to us, because it will help us continue our work in the future.

If you have already included us in your estate plan, please let us know so that we can recognize and thank you. To learn more about how to create a bequest in your will or to request free guide to creating your will or trust, please visit our website or call us today.
