**Bulletin
Announcement**

Alliance Family Services exists to protect life, proclaim the gospel, and support families facing challenging circumstances. We are committed to meeting very real needs! Whether it's a pregnancy test, ultrasound, STI testing, prenatal care, well woman exam, assistance obtaining insurance coverage, creating a budget, applying for a job, finding a housing solution, taking skills classes or receiving support and mentorship, we are here to help. **All of our services are free and confidential.**

**How people and
parishes can help.**

We have many ways that people can help and it is changing all the time. Please reach out to see what our needs are at that time.

**Do you dispense
Contraception?**

No.
