Catch the Fire!

Catch the Love!

The Eucharist is the life of the Church.

“The Eucharist is the source and summit of our faith. Another way to say it is the Eucharist is the heart of the Church. It’s the life of the Church. It makes the Church, as Pope St. John Paul II said. So, the Eucharistic life of the Church is strengthened as individuals come to understand *Who* the Eucharist is and how they are called them to deeper union with Jesus. That’s going to affect every area of their life. It means they go to confession more, they seek to live a moral life, they’ll be more charitable. The Eucharist is the heart of all that. It’s the means that Jesus gave us to continue His living presence among us and transform us into His Body. The Church needs to be the Body of Christ in the world. This will happen by people being more deeply drawn into the heart of the Eucharist. We are strong as a Church when we are united to the Lord in the Eucharist.” Bishop Andrew Cozzens
