

Our Mission and Values

Our mission is to awaken our community to the full reality of sexual abuse in the Catholic Church, work for transformation, and foster healing for all who have been wounded.

Awake is a community that strives to be:

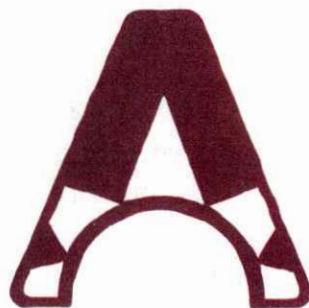

- Compassionate
- Survivor-Centered
- Faithful
- Welcoming
- Humble
- Courageous
- Hopeful

Who We Are

Awake is a community of abuse survivors, concerned Catholics, and allies committed to awakening, transformation, and healing from the wounds of sexual abuse in the Catholic Church.

We are led by a small staff and a dedicated team of volunteers, both abuse survivors and concerned Catholics, from throughout the United States.

Our organization was founded in 2019 by a group of Catholics gathered in a tiny living room in Milwaukee. We have been growing rapidly ever since, and we are now a vibrant national nonprofit organization making a real difference for abuse survivors and for our Church.

AWAKE

Awakening. Transforming. Healing.
